## REACH Policy Statement

Severstal Warren, Inc. has reviewed the requirements of the EU's Registration, Evaluation and Authorization of Chemicals act, known as "REACH."

As a supplier of "articles" under the act's definitions, we believe that Severstal Warren, Inc. is not required to register to this standard.

In addition, we have reviewed the SVHCs (Substances of Very High Concern) that are included in this standard and we can confirm that NONE of the SVHCs listed are present in or on any of the steel products produced and shipped from the Warren, OH facility.

Should you require any additional information on this matter, please feel free to contact Mark Clark at 330-841-8200, by fax at 330-841-8775, or by e-mail at [mark.clark@severstalna.com](mailto:mark.clark@severstalna.com)
